Dear Mr. Fadia:

Congratulations! On behalf of the Academy of General Dentistry (AGD), I am pleased to inform you that **Homestead Schools, Inc.**, provider ID # **219039**, has received approval from the AGD Program Approval for Continuing Education (PACE) Council. Please use your provider ID number on all correspondence. The approval period extends from **6/1/2018** to **5/31/2024**. Check your listing on the *Find a PACE Approved Provider* page of the AGD Website. E-mail PACE@agd.org if there are any corrections or updates to your information. The PACE Council noted the following concerns with your application. The council expects to see improvements in each of the areas listed within the next twelve (12) months:

Course Records: Please make sure the attendance verification forms you distribute to attendees include all the elements listed in PACE Standard XI, Criteria D. Attendance verification forms must not resemble a diploma or imply the attained competency of the participant. The council will expect to see samples of completed verification of attendance with your next application.

Please review the current PACE Program Guidelines available on the AGD Website. PACE Standard XI requires all PACE providers to submit CE credits for **AGD member** attendees to the AGD within 30 days of course completion. **Effective Jan. 1 2017 all approved providers must submit CE through the AGD Website.** To read more about this please log on to www.agd.org. Enter **219039** as your username/member ID. New users should use the password **agdpace** and then change it for better security. Next scroll to the bottom of the page and under the *Continuing Education & Events* heading select *PACE*. Next click on the blue *Submit a Roster* button on the right.

The AGD requires that you use the AGD PACE Logo and the following approval statement on all publicity:

Homestead Schools, Inc.
Nationally Approved PACE Program Provider for FAGD/MAGD credit.
Approval does not imply acceptance by
any regulatory authority or AGD endorsement.
6/1/2018 to 5/31/2024.
Provider ID# 219039

You can receive an electronic copy of the AGD PACE logo by e-mailing a request to PACE@agd.org. The terms "accreditation," "accredited" or "certified" must not be used in conjunction with PACE approval.

Approved providers have the obligation, if requested, to allow one monitor at least one time per year to monitor one of their programs. Details on the AGD monitoring program can be found in the PACE Program Guidelines.

The AGD e-mails approval renewal notices to providers approximately eleven months and six months before their expiration date. All nationally approved PACE Providers are required to pay an annual non-refundable maintenance fee in addition to the non-refundable application fee. Providers will receive an e-mail invoice for this fee approximately 90 days prior to each due date. To learn more about PACE visit the PACE section of AGD Website often. This section is designed to help you manage your program.

Thank you again for your commitment to providing quality continuing dental education.

Sincerely,

Howard H. Chi, DMD, MA, MAGD

Congratulations on your recent Academy of General Dentistry (AGD) PACE Approval! By applying for approval you have shown your commitment to offering quality dental education designed to improve the overall dental health care of the general public.

Now that you've been approved, the AGD wants to help you increase AGD member attendance at your courses. Simply review your upcoming schedule of courses and then add them to the AGD's online CE Directory. The directory is used by AGD members seeking PACE-approved continuing dental education, like yours. Adding your courses is easy.

1. Log onto the AGD Website (www.agd.org) using your provide ID# and password.
2. Go to the PACE section of the website (<http://www.agd.org/continuing-education-events/pace>).
3. Under the green PACE PROVIDERS RESOURCES heading at the right of the screen click on the link that says *Post Courses to the AGD CE Directory*. You will be brought to the Add New Event page.
4. Complete all fields marked with a red star and then click on the submit button at the bottom of the page.

You will need to include the following information:

The AGD is the second largest dental association in the world, representing dentistry's most involved, successful, and committed general dentists.

- The event title
- The start and end dates of the program
- The type of event (select CE Course)
- The number of CE hours participants can earn by AGD subject code and teaching method.
- A course description
- The city, state and zip/postal code of the event
- Your AGD provider ID number (pre-populated)
- The full name of the contact person (Pre-populated with AGD contact name on file. You can modify.)
- The email of the contact person (Pre-populated with AGD contact name on file. You can modify.)

Now, once the courses you've posted on the directory are complete, you can just go back to directory, select your past events and then click on the "Submit CE Roster" link. Nearly all the fields will be pre-populated, so in just a few seconds you can add your contact information, verification code, AGD member attendees and then submit. It's that easy!
